

# Daniel De Mendonça

Graphic & Visual Designer

## ABOUT me

“ In a nutshell... I'm a Graphic Designer, Web Designer, Visual Designer, UX/UI Designer and all round great guy!

As you may have already guessed, I am a quirky, well-versed individual who has a devout passion and respect for my craft, and of its (r)evolution. I have a diverse skills set, which has facilitated my involvement in some incredibly unique projects I am proud to have been a part of. ”
